#### USB

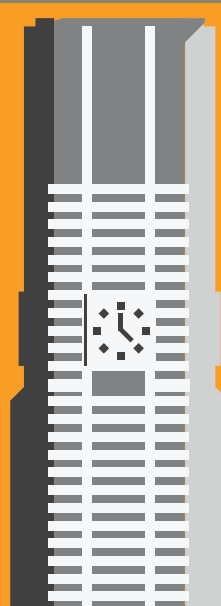

Insert your USB drive at any cloud printing kiosk

#### WEB

Login at [wepanow.com/webupload](http://wepanow.com/webupload), select your documents and "send to Wēpa"

Start using our 14 conveniently located kiosks across campus

## HERE'S HOW

1

Send a print job to the cloud printing solution.

2

Visit any cloud printing kiosk on campus at your convenience.

3

Swipe your R'Card and enter your credentials to collect your print job.

# 3

## BENEFITS OF USING THESE KIOSKS

### CONVENIENCE

You no longer have to visit a computer lab to print your documents.

### FUNCTIONALITY

Black & white, double sided, color, print from cloud accounts and scan documents to email

### SECURITY

Jobs are only printed when you pick them up from the kiosk.
